Sex Male | Date of birth 12/4/1985 | Nationality Egyptian

EDUCATION & WORK EXPERIENCE

May, 2006

Bachelor of Science – Chemistry and Major Applied Chemistry Department- Faculty of Science - Helwan University.

March, 2017

Master degree of Science –Applied Chemistry Department- Faculty of Science - Helwan University.

Recording research points in the lead-free piezoelectric ceramics materials

1/12/2018 up till now

Assistant Lecturer for Tabbin Institute For Metallurgical Studies (TIMS) at Department of Mining and Metallurgy

Responsible and work on :

preparing and delivering training and lab sessions, preparing assignments and term projects requirements, preparing and conducting laboratory examinations, and tutorial quizzes, and co-supervising graduation projects.

1/12/2009 to 29/11/2018

Lab. Specialist for Tabbin Institute For Metallurgical Studies (TIMS) at Central laboratory for studies industrial pollution – Air lab.

Responsible and work on :

- Preparing field testing plans, data summaries and reports
- lead field teams supporting clients to execute project scope and plans for specific-site testing and data collection.
- Implement USEPA Reference Methods and field testing.
- Preparing, maintaining, and repairing equipment for project use
- Executing on field projects
- Interacting with contract laboratories

1/8/2008 to 31/11/2009

Sales/service engineer for water treatment used for boiler & cooling tower for Pure Water Technology(PWT).

1/8/2007 to 31/7/2008

Sales/service engineer for water treatment used for boiler & cooling tower for Egyptian For Trading & Advanced chemical(ETAC).

Training

-Air Pollution Source Management at the Kitakyushu International Techno-cooperative Association organized by JICA of Japan (2015).

-General requirements for the competence of testing laboratories ISO/IEC 17025(2011).

-Summer training in ASEC Cement CO. Chemical, X-ray and physical laboratories Raw materials & mills(2005).

Language Proficiency

Mother tongue	Arabic				
Other language(s)	OVERALL	LISTENING	READING	WRITING	SPEAKING
English	Modest user(5)	Limited user(4.5)	Limited user(4.5)	Modest user(5)	Modest user(5)
Certificate	IELTS				
French	I studied French in secondary school				

Communication skills *Get the experience of working in team work*

Computer skills *{Excellent in Using Windows}*
Microsoft Office (Excel, word and power point), Internet and Igor software.

Other skills *Good experience in synthesis, forming and sintering of ceramic materials. I like sharing ideas, working in team work and solving problems through discussion with other people. I Like to travel and meet new cultures and people.*
